Located in Hillsboro, Oregon, Journeys of the Heart Adoption Services (JOH), a nonprofit agency, has been building families through adoption for over 15 years. It is Journeys' goal to provide, through adoption, loving and permanent homes. To the children of the world who are deprived of this right JOH provides support through the Love the Children Fund (LTC).

JOH is proud to announce the launch of The Oregon Golf Link-Up For Kids, benefiting the agency and the LTC. For the first time, JOH is broadening the annual golf fundraiser to encourage community participation, with activities for all families, children and golfers on Saturday, August 11, 2007.

Proceeds from the event will help support the agency's domestic and international adoption programs, as well as fund the LTC, for the next year. The LTC responds to the needs of children and families in all countries where JOH has programs, including the USA. LTC program work includes:

- Electric heaters and air conditioners provided to Chinese orphanages
- Food & medical supplies provided for East Indian orphanages
- An "Agent Orange" cleanup program being developed for Vietnam
- School scholarships in India, The Republic of the Marshall Islands and Guatemala
- Aid to orphanages in Taiwan
- Aid to expectant birth mothers in the USA
- New home construction in South Asia

Become a sponsor, earn a tax deduction, and take this opportunity to help the children of the world!

Thank you,
