

THE OREGON GOLF LINK-UP FOR KIDS

Benefiting

Journeys of the Heart Adoption Services
& The Love the Children Fund
Saturday, August 11, 2007

Prize Donation Form

Journeys of the Heart Adoption Services (JOH), a nonprofit agency, has been building families through adoption for over 15 years. It is Journeys' goal to provide, through adoption, loving and permanent homes. To the children of the world who are deprived of this right JOH provides support through the Love the Children Fund (LTC).

JOH is proud to announce the launch of The Oregon Golf Link-Up For Kids, benefiting the agency and the LTC. For the first time, JOH is broadening the annual golf fundraiser to encourage community participation, with activities for all families, children and golfers on Saturday, August 11, 2007.

Businesses and individuals can help our important event succeed through the donation of raffle and silent auction prizes. Donations are tax deductible. Prizes will be awarded to players in the golf scramble. All golfers, including children in the putt-putt activity, will be awarded bags filled with products from local businesses. After the day's golfing, diners will have the opportunity to bid on auction items and win raffle prizes during our catered dinner. Your contributions are important.

In recognition for your prize donation, you or your business will be represented on *The Oregon Link-Up For Kids* website www.golflinksoregon.com as well as www.journeysoftheheart.net, the high traffic website for the agency (34,521 hits in April, 2007). You have your choice of either your logo or banner ad on both sites, placed in a position of prominence. In addition, all prizes and auction donations will be recognized on the day of the event with highly visible, professionally crafted signage.
